A MESSAGE FROM THE SECRETARY-GENERAL OF THE 65TH MIDWEST MODEL UNITED NATIONS

Dear Delegates and Advisors,

On behalf of the Midwest Model United Nations (MMUN), it is my distinct honor to welcome you to St. Louis for our upcoming conference. As Secretary-General, I am thrilled to witness the passion, diplomacy, and critical thinking that each of you will bring to this forum of international collaboration.

MMUN has a long-standing tradition of fostering meaningful debate, challenging perspectives, and inspiring future leaders. This year, as we come together to address some of the most pressing global issues, I encourage you to embrace the spirit of diplomacy—engaging in respectful dialogue, seeking innovative solutions, and working together to create a more just and peaceful world.

Whether you are a first-time delegate or a returning delegate, this conference is an opportunity to expand your knowledge, refine your skills, and form connections that will extend beyond these sessions. The work you do here—crafting resolutions, negotiating with fellow delegates, and defending your nation's perspectives—mirrors the efforts of real-world diplomats.

I look forward to an exciting and productive conference and cannot wait to see the impact you will make. Welcome to MMUN 2025!

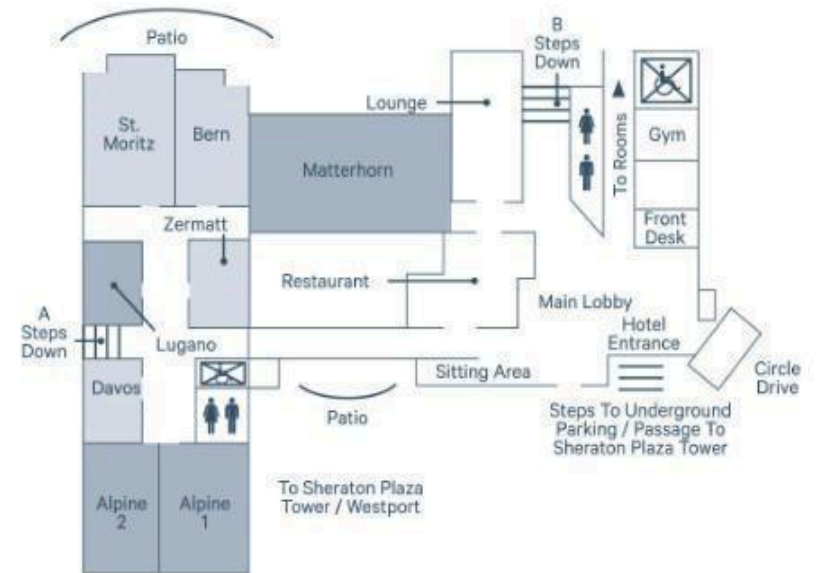

Best Regards,

Paul Thompson

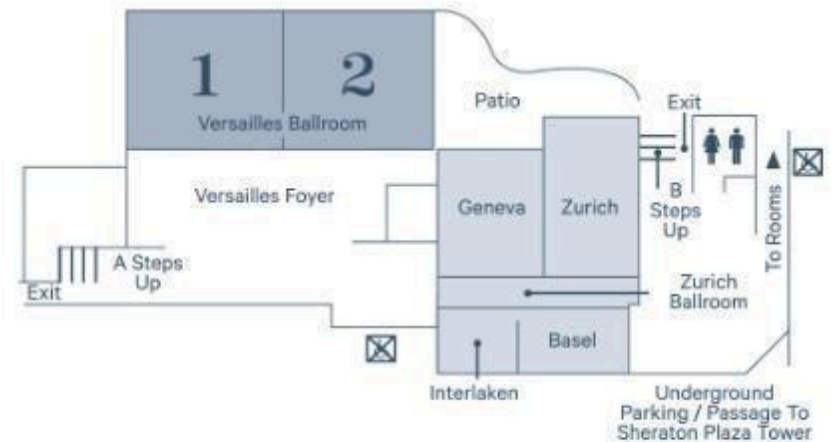

Secretary-General, MMUN 65

KEYNOTE SPEAKER

Reid Detchon is Senior Advisor for Climate Solutions at the United Nations Foundation. He previously served as the Foundation's Vice President for Energy and Climate Strategy from 2006 to 2017. He also served as Executive Director of the Energy Future Coalition, a non-partisan domestic policy initiative.

The Foundation's engagement with the UN on energy and climate issues has included communications support for the IPCC's Fifth Assessment Report, as well as creation of the Earth To Paris coalition to build a drumbeat of action and awareness for COP 21. Other activities include support of the Secretary-General's initiative on Sustainable Energy for All – whose objectives are now reflected in Goal 7 of the new post-2015 Sustainable Development Goals – as a model of public-private engagement with the UN.

Mr. Detchon previously served as Director of Special Projects in Washington for the Turner Foundation; as a principal at Podesta Associates (now the Podesta Group), a government relations and public affairs firm in Washington; as the Principal Deputy Assistant Secretary for Conservation and Renewable Energy at the U.S. Department of Energy from 1989 to 1993; as principal speechwriter for Vice President George H. W. Bush; and as a staff member and legislative director for U.S. Senator John Danforth of Missouri.
